Reference: October Quarterly Report (7/1/07 – 9/30/07)

Dear Treasurer:

This letter is prompted by the Commission's preliminary review of the report(s) referenced above. This notice requests information essential to full public disclosure of your federal election campaign finances. **An adequate response must be received at the Senate Public Records Office by the response date noted above. Failure to adequately respond by the response date noted above could result in an audit or enforcement action.** Additional information is needed for the following item:

-Your report discloses transfers of joint fundraising receipts. Your Memorandum Schedule A disclosing your share of gross receipts appears to include receipts previously reported on your July Quarterly Report. These additional receipts could cause difficulties in tracking the committee's cash flow. Please amend your report to provide a memo Schedule A containing only the required information for the transfer during this reporting period, or explain the apparent duplicate receipts. (11 CFR § 102.17(c)(8)(i)(B))

Please note, you will not receive an additional notice from the Commission on this matter. Adequate responses must be received by the Commission on or before the due date noted above to be taken into consideration in determining whether audit action will be initiated. Failure to comply with the provisions of the Act may also result in an enforcement action against the committee. Any response submitted by your committee will be placed on the public record and will be considered by the Commission prior to taking enforcement action. **Requests for extensions of time in which to respond will not be considered.**
